# Umesh Kumar Shrestha

## React Intern

I am excited to apply for the React intern position. With a solid foundation in HTML, CSS, and JavaScript, I am eager to expand my skills and dive into the world of React development. My passion for creating exceptional web experiences, coupled with my ability to work effectively in a team, makes me a dedicated and valuable candidate. I am committed to learning and contributing to the success of your projects while gaining hands-on experience with React. I am eager to embark on this journey and grow as a React developer.

## Experience

### 2022-2023

Creatu Learnings|| Tinkune, Kathmandu

#### Jr .Frontend Developer

- Dynamic Website with HTML ,CSS, JavaScript
- REACT State Management , Fetch API , components, routing

### 2023-2024

Arniko Kitchen Concern | Jarankhu, Kathmandu

#### Junior Accountant

- I was actively involved in junior accounting tasks, focusing on bill processing,
- Inventory management, and tracking debit/credit transactions.
- I successfully managed incoming bills, meticulously verifying their accuracy and ensuring prompt payment processing
